

KENTUCKY AVIATION HISTORICAL SOCIETY

MISSION STATEMENT

- The Kentucky Aviation Historical Society is formed to acquire, preserve and display artifacts, documents, photographs and equipment that are of aviation significance. Our focus on the development of aviation in Kentucky will emphasize Louisville and Bowman Field
 - To provide continued support for the development of aviation in Kentucky
 - To improve community relations with neighborhoods surrounding Bowman Field
 - To provide education scholarships in support of aviation careers
 - To recognize individuals, organizations and businesses that make significant contributions to aviation
 - Provide support to the Louisville Regional Airport Authority in their efforts to provide improvements to Bowman Field
 - To support The Aero Club of Louisville meet it's mission objectives
 - To contribute to aviation safety through sponsorship of aviation safety seminars and safety meetings
 - To support a quiet flying program reducing noise impact on our airport neighbors
